

Full Name: Yash Rajendra Abhyankar

Batch Details: 2017

Current Designation: Product Designer at Uniqode, Bengaluru

Key Achievements: Yash graduated with a Bachelor's degree in User Experience Design from MIT-WPU, Pune in 2023. He was the gold medalist and was awarded two scholarships for his outstanding academic performance as a rank holder.

Currently, he is working as a Product Designer at Uniqode, Bengaluru. Before this, Yash gained valuable experience working with prominent tech companies such as UST and Kanaka Software.

How SPM English School contributed to shaping my journey: Yash's foundational education at SPM English School played a pivotal role in shaping his academic and professional journey, providing him with a strong base in critical thinking and creativity. The school's emphasis on holistic development nurtured his communication skills and fostered a strong sense of discipline and dedication, which have been invaluable in his career as a designer. He will always be grateful for the mentorship and guidance received at SPM (SPM's the best).
